

THE WORLD AWAKENS TO MII AMO.

In a lush canyon in the red rocks of Sedona lies Mii amo, nestled in a setting long recognized by Native Americans as a confluence of nature and the spirit world. "Mii amo" is a Native American word for "journey," reflecting a life-enhancing transformation in physical health, emotional well-being and spiritual renewal. Nurture your body with an array of more than 70 treatments and activities. Indulge in guilt-free gourmet cuisine. And let the cares of the world be carried off in the piñon pine-scented breeze.

Miramo®

a destination spa at Enchantment Choose from a 3, 4 or a 7-night all-inclusive

program which includes luxury accommodations, all your meals, 5 to 13
