

THINK

When it comes to legal expertise,
consider a firm that takes an
intellectual approach...to winning.

- Over a century of experience. With 345 attorneys, we are staffed by the best and the brightest.
- One of the country's largest law firms - focused on 45 areas of principal practice including litigation, corporate finance, bankruptcy, real estate, intellectual property and employment.
- From the Fortune 500 to small business and individuals - we represent public and private companies, as well as not-for-profits - locally, nationally, and internationally
